Welcome and Member introductions by Dr. Coon.

Dr. Coon defined the SIC role as being proactive in “hearing” and “doing” to make MGM the best version we can be.

Future meeting days and times were discussed. Tuesday will be the day we strive to conduct meetings. We will be in person and Zoom to accommodate those who can't be here in person.

Dr. Coon announced that we have submitted an application for Palmettos Finest and we will await a visit if chosen.

Dr. Coon shared some MGMS facts: 22 spoken languages; we have a new parent communication piece, Parent Square, that replaces School Messenger; Our 23-24 Theme is Grow, Inspire, Lead, Serve-RISE; we are focusing on a Math Mindset this school year.

We are looking for SIC help in identifying a service piece to Building a Better World, i.e. kids with cancer, veterans, etc.

Next meeting will be scheduled at a later date.

Meeting adjourned at 4:30
