

GRADES 6–12 PERSONAL MOBILE COMPUTING DEVICE AGREEMENT 2018–2019

Lexington County School District One recognizes that with the implementation of the Personal Mobile Computing Device Initiative, the priority is to protect the investment by both the district and the student/parent/guardian.

An optional non-refundable protection plan is available for \$50 per school year for each Personal Mobile Computing device for students in Grades 6–12 and in other situations as needed. Each school year, parents or students (if 18 years of age or older) must make the decision whether or not to purchase this Optional Protection Plan. For new students, this decision must be made prior to receiving their device. Personal Mobile Computing device agreements are valid for one school year, beginning the first day of school through the first ten school days of the following school year.

The OPP provides one-time coverage for repair of the Personal Mobile Computing device due to accidental damage. The plan will provide for parts and repairs related to damage incurred as part

of that single incident during the coverage period. Any additional repair due to additional accidents and damage will cost the student/parent/guardian the cost of repair not to exceed \$100 per incident. The OPP does not cover replacement of charging block or sync cable.

Any device replacement due to the following will cost the student/parent/guardian the replacement cost (\$450) of a Personal Mobile Computing device:

- Loss which is defined as 1) the location of the device is unknown/misplaced or 2) the device cannot be returned to the district for any reason
- Theft without OPP
- Theft with OPP but without a police report filed within 72 hours
- Device damage through misuse, abuse, negligence or intentional damage

PERSONAL MOBILE COMPUTING DEVICE OPTIONAL PROTECTION PLAN SCHOOL YEAR 2018–2019

This information is available in the online registration system where parents may choose to purchase the Optional Protection Plan and pay online with a credit card. For students who have not been registered by their parent or guardian in the online registration or who were registered online and OPP was selected but not paid online with a credit card, the Personal Mobile Computing Device Agreement must be signed electronically at the school. Please contact school personnel for more information.
