All Dates Subject To Change

By law (Section 59-1-425 of the South Carolina Code of Laws), districts are required to include at least three severe weather makeup days in each year's academic school calendar.

We have included those three days (Feb. 17, March 16, April 6) in this calendar.

If the district does not need one of these severe weather makeup days, that day becomes a holiday. If we need more than three severe weather makeup days, the District Calendar Committee will reconvene and make recommendations regarding further makeup days to the superintendent.

If the district has to delay the opening of school due to bad weather or other circumstances and that day is a collaborative planning day, the district will cancel all scheduled collaborative planning activities for that day.
