*Have a great
week!*

From the Assistant Principal *Week of December 1st, 2008*

Greetings,

As I sit here and reminisce about Thanksgiving I begin to reflect upon my life. I realize just how much I have been blessed and how much I have to be thankful for. I am thankful for a wonderful family and the freedom's we have in this great country.

This Thanksgiving was a little different for my wife and me. We have been blessed with a wonderful daughter who is now 6 months old. She is the joy our lives. We were able to spend time with her and our extended families this Thanksgiving. As Thanksgiving has passed and the holiday season approaches remember to spend time with those you love and cherish.

To encourage giving and helping those in need our student body participated in a can food drive against Pleasant Hill Middle School. Lexington Middle School along with Pleasant Hill raised over 8,290 pounds of food that was donated to LICs. This food will be used to feed the less fortunate in our community this holiday season. Thanks to all of you who participated and donated the food. Your kindness will help feed the less fortunate.

Basketball season kicks off this week! The Wildcats will travel to Northside Middle School on Monday and play at home on Thursday against Dutch Fork. The girls play at 5:30 and the boys play at 6:45. Please come out and support the Wildcats!

Sincerely,

John Robert Jackson
Assistant Principal
