

Grades on Lex->Connect

Grades are uploaded to Lex->Connect so that parents and students can view grades throughout the nine weeks. You must be logged into your Lex-Connect account in order to view this information. Grades are uploaded daily with the exception of a period of time during the transition from one nine weeks grading period to another. During this time, grade uploads are suspended so that records may be cleared and report cards prepared.

Grades will be uploaded to Lex->Connect according to the following schedule:
