Resources

Digital Collections

Do you know about the South Carolina Digital Library? Check out this website: <http://www.scmemory.org/collections/index.php> and browse the collection for some terrific resources.

And don't forget about the Library of Congress Digital Library, the American Memory Collection for some wonderful primary source documents: <http://memory.loc.gov/ammem/index.html>

Keep Reading

Our Reading Warriors Program is off to a great start. K-2 students are listening to the Picture Book Awards nominees in the library; our 3-5 grade students are reading the Children's Book Awards nominees independently (and sometimes aloud in class ☺)

Remember, every reader is a winner and occasionally his/her classroom teacher gets a bonus prize also.
