

2023 RANGER RUN

*****RESCHEDULED*****

New Date:

Friday March 31

-This will replace the previously scheduled Field Day. Updates for Field Day TBD-

—

District guidelines do not allow for our students to be outside if the temperature with or without the windchill is 32 or below. Also when setting up today, we saw that the ground is saturated from the rain.

Thank you for understanding!

The link for donations will stay open until March 30.
