SCSBA Boardmanship Institute Level 2 Completer

Just like our staff and students, school board members, too, are constantly learning.

Kathy Henson recently completed Level 2 of the South Carolina School Boards Association's Boardmanship Institute, which provides year-round training to help board members develop skills and stay abreast of state and national education issues.

Workshops focus on school law, advocacy and legislation, improving board operations, leadership for improving student achievement, and other timely topics.

Board members can achieve up to six levels of recognition by earning points that are accrued annually from July through June for participation in statewide conferences and training provided onsite in their district.

Ms. Henson received a certificate and a pin for reaching Level Two. Thank you, Ms. Henson, for taking the time to continue learning.
