Dear 10th Grade Parent/Guardian,

Gilbert High School will be administering the ASVAB assessment instrument, which is part of the ASVAB Career Exploration Program (CEP) on February 22 to all 10th graders. This test is an invaluable tool to help your student with his/her future educational and career plans.

The ASVAB CEP will help your student:

- Learn about themselves and the world of work
- Explore occupations in line with their interests and skills
- Develop an effective strategy to realize their career and education goals

One of the scores of the ASVAB is the military services' entrance score which your student can use to explore career options in the military. Even if your child's scores are released to the military, by no means is your child obligated to military service.

Each school determines the information released to the military services as a result of participation in the ASVAB CEP. Your child's school has elected not to release scores to the military.

Our goal at GHS is to ensure that our students are College & Career Ready by meeting the SC College & Career Indicator. One way to meet this is to score 31 or higher on the ASVAB. This high quality assessment will provide reliable information used to draw valid conclusions about student performance. The overall goal is for students to have opportunities for post graduation.

Additional information on the ASVAB can be found by visiting the following websites.

asvabprogram.com and <https://expectmoresc.com/sc-report-card/college-and-career-ready/>

If you should have any further questions, please feel free to contact our Career Specialist Dana Crumpton at 803-821-1977 or email dcrumpton@lexington1.net.

Sincerely,

Ricky Tillmon
Assistant Principal & Testing Coordinator
Gilbert High School
