FPES Shared Vision

2023-2024 Goals

Area of Growth #1

If we establish a data-driven culture focused on all learners' needs, then we will create an intentional learning environment where all students will grow and feel success.

Area of Growth #2

If we intentionally focus on building relationships and proactively create a sense of belonging for all, then students can fulfill their potential through feeling like a valued part of the school community and be more engaged in their learning.
