

THE MISSION OF WHITE KNOLL HIGH SCHOOL

Empowering ALL students to be productive, global citizens in the 21st century by fostering accountability, lifelong learning, and respect.

OUR CORE VALUES

Accountability...Lifelong Learning...Respect

We believe in accountability; therefore, we will....

- promote personal responsibility and professionalism through behavioral and academic expectations and policies for ALL school stakeholders.

We believe in lifelong learning; therefore, we will...

- provide a physically and emotionally safe learning environment that engages, challenges, and inspires ALL students.
- maintain high expectations where every individual is encouraged to persevere and achieve at his or her maximum potential.
- create a positive 21st century learning environment that promotes critical thinking, collaboration, creativity, and communication.
- encourage a positive attitude that promotes social and emotional well-being.
- value the use of innovative tools and resources to support rigorous curricula.

We believe in respect; therefore, we will...

- provide equal access and equal opportunities to all stakeholders.
- embrace diversity and promote the value of the individual.
- recognize the value of staff, students, and volunteers and celebrate each for exemplary performances.
- foster a mutual respect and trust among ALL stakeholders.
