

VirtualSC Summer Information

VirtualSC is a supplementary online learning program, sponsored by the South Carolina Department of Education. They offer free, online courses to students in grades 7-12 that are already enrolled in, and sponsored by a South Carolina public, private or homeschool, or those enrolled in an Adult Education Program.

VirtualSC courses are aligned to state and national standards, and are taught by Highly Qualified teachers that are licensed by the South Carolina Department of Education. At this time, VirtualSC is not a diploma-granting program; credits earned through VirtualSC courses will be recorded on an official transcript by your student's sponsoring school.

All information about VirtualSC including course requirements can be found on their website www.virtualsc.org.
